## Share in the EXPO experience!

The EXPO is FREE and includes health screenings, cooking demonstrations, product and service exhibitors and leading experts talking about diabetes management and prevention for Seniors, Youth and ALL ethnic populations.

## Did you know?

- One out of 7 adults (age 18 and older) in California has been diagnosed with diabetes.
- Additionally, 1 in 5 adults in California has pre-diabetes and are at high risk for type 2 diabetes.
- Diabetes rates in California have doubled in the last decade.
- If present trends continue, one in three Americans born today will develop diabetes in their lifetime—one in two if African American or Latino.
